Termination Event to cure such purported Creditor Termination Event, and if the asserted Creditor Termination Event is curable and arises under any other provision of Section 5(b), the Debtors and the Shareholder Proponents shall have ten (10) days from the receipt of such written notice of termination from the Requisite Consenting Noteholders specifying such purported default and Creditor Termination Event to cure such purported Creditor Termination Event and, in each case, no termination of this Agreement shall be effective unless and until the expiration of the applicable period without such purported default and Creditor Termination Event being waived or cured.

(c) Plan Proponent Termination. The Debtors or the Shareholder Proponents may terminate this Agreement, in each case, upon delivery of written notice to the Requisite Consenting Noteholders and counsel to the Ad Hoc Committee upon (each, a “**Proponent Termination Event**”):

(i) the material breach by any Consenting Noteholder then party to this Agreement of any of their undertakings, obligations, representations, warranties, or covenants set forth in this Agreement (it is acknowledged that a breach of the provisions in Sections 2, 7, 8(b), 8(c), 8(d), and 8(f) shall be deemed to be material); provided, that, except as provided in Section 5(c)(ii) below, any such termination by reason of this Section 5(c)(i) shall be only with respect to the applicable breaching Consenting Noteholder(s) and this Agreement shall remain in full force and effect as to the other Parties hereto as of such time;

(ii) the material breach by any Consenting Noteholder that executed the AHC Commitment Letter of any of their undertakings, obligations, representations, warranties, or covenants set forth in this Agreement (it is acknowledged that a breach of the provisions in Sections 2, 7, 8(b), 8(c), 8(d), and 8(f) shall be deemed to be material);

(iii) in the event that the Consenting Noteholders do not hold, in the aggregate, more than (A) 66.7% of the aggregate principal amount of Utility Impaired Senior Note Claims and (B) 66.7% of the aggregate principal amount of Utility Short-Term Senior Note Claims, in each case, by 5:00 p.m. Pacific time on January 28, 2020;

(iv) the issuance, promulgation, or enactment by any governmental entity, including any regulatory or licensing authority or court of competent jurisdiction (including, without limitation, an order of the Bankruptcy Court which has not been stayed), of any statute, regulation, ruling or order declaring the Amended Plan or any material portion thereof (in each case, to the extent it relates to the terms hereof) to be unenforceable or enjoining or otherwise restricting the consummation of any such material portion of the Amended Plan, and such ruling, judgment, or order has not been stayed, reversed, or vacated, within fifteen (15) calendar days after issuance;

(v) a trustee under section 1104 of the Bankruptcy Code or an examiner with expanded powers shall have been appointed in the Chapter 11 Cases; or

(vi) an order for relief under chapter 7 of the Bankruptcy Code shall have been entered in the Chapter 11 Cases, or the Chapter 11 Cases shall have been dismissed, in each case by order of the Bankruptcy Court.

Notwithstanding the foregoing, if the asserted Proponent Termination event is curable, other than the Proponent Termination Event in Section 5(c)(iii), the Consenting Noteholder(s) shall have ten (10) days from the receipt of any such written notice of termination from the Debtors or the Shareholder Proponents specifying such purported default and Proponent Termination Event to cure such purported default and Proponent Termination Event under this section and no termination of this Agreement shall be effective unless and until the expiration of such ten (10) day period without such purported default and Proponent Termination Event being waived or cured.

(d) Termination Generally.

(i) No Party may terminate this Agreement based on an event caused by such Party's own failure to perform or comply in all material respects with the terms and conditions of this Agreement (unless such failure to perform or comply arises as a result of another Party's actions or inactions).

(ii) Upon termination of this Agreement in accordance with this Section 5 (except for a termination as to an individual Consenting Noteholder pursuant to Section 5(c)(i)), all Parties shall be released from any prospective commitments, undertakings, and agreements under or related to this Agreement other than obligations under this Agreement which by their terms expressly survive termination.

(iii) Termination of this Agreement does not relieve any party from liability for its breach of this Agreement prior to such termination.

6. Definitive Documents; Good Faith Cooperation; Further Assurances.

Each Party hereby covenants and agrees to cooperate with each other in good faith in connection with, and shall exercise commercially reasonable efforts with respect to, the pursuit, approval, implementation, and consummation of the transactions contemplated by this Agreement and the Amended Plan as well as the negotiation, drafting, execution, and delivery of the Definitive Documents. Furthermore, subject to the terms hereof, each of the Parties shall take such action as may be reasonably necessary or reasonably requested by the other Parties to carry out the purposes and intent of this Agreement, and shall refrain from taking any action that would frustrate the purposes and intent of this Agreement. The Debtors and the Shareholder Proponents will provide Akin Gump Strauss Hauer & Feld LLP, counsel to the Ad Hoc Committee, with advance drafts of the Amended Plan, or any subsequent amendment or modification that modifies or amends the treatment of any Utility Senior Notes. For the avoidance of doubt, nothing herein shall require any Consenting Noteholder to provide any documentation or information to any regulatory or self-regulatory body having jurisdiction over the Debtors or such Consenting Noteholder other than information that is already included in this Agreement or is otherwise in the public domain.

7. Backstop Commitment Letters.

If a Consenting Noteholder or its affiliate that was not a Backstop Party on or before January 10, 2020, becomes a Backstop Party (whether by assignment, participation, or otherwise) (such party a "**Subsequent Noteholder Backstop Party**"), then such Subsequent Noteholder Backstop Party agrees that its Backstop Commitment Letter shall provide that:

(a) all references to the Plan (as such term is defined in the Backstop Commitment Letter) shall be modified to refer to the Amended Plan;

(b) in the case of any termination right or condition that may only be asserted upon action of holders of at least a majority of the Backstop Commitments, such Subsequent Noteholder Backstop Party may only assert such termination right or condition if Backstop Parties, other than Subsequent Noteholder Backstop Parties, having Backstop Commitments representing at least a majority of the Backstop Commitments (without regard to Backstop Commitment Amounts for all Subsequent Noteholder Backstop Parties) also exercise such termination right;

(c) in the case of any waiver, amendment or consent request, such Subsequent Noteholder Backstop Party shall be deemed to have granted such waiver, amendment or consent with respect to all Backstop Commitments held by it if Backstop Parties, other than Subsequent Noteholder Backstop Parties, having Backstop Commitments representing at least (1) for purposes of Sections 11(a)(i) and 11(b) of the applicable Backstop Commitment Letter, a majority, (2) for purposes of Sections 11(a)(ii) and 11(c) of the applicable Backstop Commitment Letter, 60%, and (3) for purposes of Section 5(s) of the applicable Backstop Commitment Letter, 66 2/3%, in each case of the Backstop Commitments (without regard to Backstop Commitment Amounts for all Subsequent Noteholder Backstop Parties) grant such waiver, amendment or consent request; provided, that, such provisions will not apply to amendments, waivers or terminations within the provisions of Sections 11(a)(i)(A), 11(a)(i)(B), or 11(a)(i)(D) of the applicable Backstop Commitment Letter;

(d) except as provided in Section 7(e) below, in the case of any termination right that may be exercised individually, such Subsequent Noteholder Backstop Party may not exercise such termination right with respect to any Backstop Commitment held by it unless Backstop Parties, other than Subsequent Noteholder Backstop Parties, holding at least 50% of the other Backstop Commitments (without regard to Backstop Commitment Amounts for all Subsequent Noteholder Backstop Parties) also exercise such termination right; and

(e) notwithstanding anything to the contrary in the Backstop Commitment Letter or this Agreement, such Subsequent Noteholder Backstop Party may terminate any Backstop Commitment held by it in the event that this Agreement is terminated with respect to such Subsequent Backstop Party or all Consenting Noteholders for any reason;

provided that in each case of (b), (c) and (d) no such termination or consent right, waiver, amendment or modification shall have a disproportionate effect on Subsequent Noteholder Backstop Parties (in their capacity as Backstop Parties) as compared to other Backstop Parties.

8. Mutual Representations and Warranties.

Each of the Parties, severally and not jointly, represents and warrants to each other Party that the following statements are true, correct, and complete as of the date hereof (or, if later, the date that such Party first became or becomes a Party) but, solely with respect to the Debtors, subject to any limitations or approvals arising from, or required by, the commencement of the Chapter 11 Cases:

(a) it is validly existing and in good standing under the laws of the state of its organization, and this Agreement is a legal, valid, and binding obligation of such Party, enforceable against it in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium, or other similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability;

(b) except as expressly provided in this Agreement or as may be required for disclosure by the SEC, no material consent or approval of, or any registration or filing with, any governmental authority or regulatory body is required for it to carry out and perform its obligations under this Agreement and the Amended Plan;

(c) it has all requisite organizational power and authority to enter into this Agreement and to carry out the transactions contemplated by, and perform its obligations under, this Agreement and the Amended Plan;

(d) the execution and delivery by it of this Agreement, and the performance of its obligations hereunder, have been duly authorized by all necessary organizational action on its part;

(e) it has been represented by counsel in connection with this Agreement and the transactions contemplated by this Agreement; and

(f) the execution, delivery, and performance by such Party of this Agreement does not and will not (i) violate any provision of law, rule, or regulation applicable to it or any of its subsidiaries or its charter or bylaws (or other similar governing documents) or those of any of its subsidiaries, (ii) conflict with, result in a breach of, or constitute (with or without notice or lapse of time or both) a default under any material debt for borrowed money to which it or any of its subsidiaries is a party, or (iii) violate any order, writ, injunction, decree, statute, rule, or regulation.

9. Amendments. Except as otherwise expressly set forth herein, this Agreement (including any exhibits or schedules hereto and thereto) may not be waived, modified, amended, or supplemented except in a writing signed by the Debtors, the Shareholder Proponents, and the Requisite Consenting Noteholders, provided, that any modification, amendment, or change to the definition of "Requisite Consenting Noteholders" shall require the written consent of each Consenting Noteholder (which may be given by its attorney). In the event that a materially adversely affected Consenting Noteholder does not consent to a waiver, change, modification, or amendment to this Agreement requiring the consent of such Consenting Noteholder ("**Non-Consenting Noteholders**"), but such waiver, change, modification, or amendment receives the consent of the Requisite Consenting Noteholders, this Agreement shall be deemed to have been terminated only as to such Non-Consenting Noteholder, and this Agreement shall continue in full force and effect in respect to all other Consenting Noteholder. Notwithstanding the foregoing, the Debtors may amend, modify, or supplement the Amended Plan from time to time without the consent of any Consenting Noteholder to cure any ambiguity, defect (including any technical defect), or inconsistency, provided, that any such amendments, modifications, or supplements do not materially adversely affect the rights, interests, or treatment of the Consenting Noteholders under this Agreement or the Amended Plan (it being acknowledged that any change to the interest

rate, maturity or security with respect to the New Utility Funded Debt Exchange Notes, the New Utility Long-Term Notes or the New Utility Short-Term Notes shall be deemed material).

10. Governing Law; Jurisdiction; Waiver of Jury Trial.

(a) This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of California and applicable federal law, without giving effect to the conflicts of law principles thereof.

(b) Each Party irrevocably agrees that any legal action, suit or proceeding arising out of or relating to this Agreement brought by any party or its successors or assigns shall be brought and determined in the Bankruptcy Court and each Party hereby irrevocably submits to the exclusive jurisdiction of the Bankruptcy Court and, if the Bankruptcy Court does not have (or abstains from) jurisdiction, Courts of the State of California and of the United States District Court of the Northern District of California, and any appellate court from any thereof, for itself and with respect to its property, generally and unconditionally, with regard to any such proceeding arising out of or relating to this Agreement. Each Party further agrees that notice as provided herein shall constitute sufficient service of process and the Parties further waive any argument that such service is insufficient. Each Party hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any proceeding arising out of or relating to this Agreement, (i) any claim that it is not personally subject to the jurisdiction of the Bankruptcy Court as described herein for any reason, (ii) that it or its property is exempt or immune from jurisdiction of such court or from any legal process commenced in such court (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (iii) that (A) the proceeding in such court is brought in an inconvenient forum, (B) the venue of such proceeding is improper or (C) this Agreement, or the subject matter hereof, may not be enforced in or by such court.

(c) **EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY (I) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.**

11. Specific Performance/Remedies. The Parties understand and agree that money damages would be an insufficient remedy for any breach of this Agreement by any Party and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (including attorneys' fees and costs) as a remedy of any such breach, without the necessity of proving the inadequacy of money damages as a remedy. Each Party hereby waives any requirement for the security or posting of any bond in connection with such remedies.

12. Survival. Notwithstanding the termination of this Agreement pursuant to Section 5 hereof, Sections 10-22 shall survive such termination and shall continue in full force and effect in accordance with the terms hereof; provided that any liability of a Party for failure to comply with the terms of this Agreement shall survive such termination.

13. Headings. The headings of the sections, paragraphs, and subsections of this Agreement are inserted for convenience only and shall not affect the interpretation hereof or, for any purpose, be deemed a part of this Agreement.

14. Successors and Assigns. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors, permitted assigns, heirs, executors, administrators, and representatives; provided that nothing contained in this Section 14 shall be deemed to permit Transfers of the Claims, or any Claims other than in accordance with the express terms of this Agreement.

15. Several, Not Joint, Obligations. The agreements, representations, warranties, and obligations of the Parties under this Agreement are, in all respects, several and not joint.

16. Relationship Among Parties. Unless expressly stated herein, this Agreement shall be solely for the benefit of the Parties and no other person or entity shall be a third-party beneficiary hereof. No Party shall have any responsibility for any trading by any other entity by virtue of this Agreement. No prior history, pattern, or practice of sharing confidences among or between the Parties shall in any way affect or negate this understanding and agreement. The Parties, other than the Shareholder Proponents, have no agreement, arrangement, or understanding with respect to acting together for the purpose of acquiring, holding, voting, or disposing of any equity securities of the Debtors and do not constitute a “group” within the meaning of Rule 13d-5 under the Securities Act, as amended.

17. Prior Negotiations; Entire Agreement. This Agreement, including the exhibits and schedules hereto (including the Term Sheet), constitutes the entire agreement of the Parties, and supersedes all other prior negotiations, with respect to the subject matter hereof and thereof.

18. Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, and all of which together shall be deemed to be one and the same agreement. Execution copies of this Agreement delivered by facsimile or PDF shall be deemed to be an original for the purposes of this paragraph.

20. No Solicitation; Adequate Information. This Agreement is not and shall not be deemed to be a solicitation for consents to the Amended Plan. The votes of the holders of Claims against and Interests in the Debtors will not be solicited until such holders who are entitled to vote on the Amended Plan have received the Amended Plan, the Disclosure Statement, as approved by the Bankruptcy Court as having adequate information in accordance with section 1125 of the Bankruptcy Code, and related ballots, and other required solicitation materials. In addition, this Agreement does not constitute an offer to issue or sell securities to any person or

entity, or the solicitation of an offer to acquire or buy securities, in any jurisdiction where such offer or solicitation would be unlawful.

21. Severability. If any provision of this Agreement, or the application of any such provision to any person or entity or circumstance, shall be held invalid or unenforceable in whole or in part, such invalidity or unenforceability shall attach only to such provision or part thereof and the remaining part of such provision hereof and this Agreement shall continue in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Further, it is the intention of the parties that nothing in this Agreement shall obligate any party to make a filing with the Securities and Exchange Commission pursuant to Section 13 or Section 16 of the Securities Exchange Act of 1934, as amended. Upon any such determination of invalidity or a requirement to file, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a reasonably acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

22. Interpretation; Rules of Construction; Representation by Counsel. When a reference is made in this Agreement to a Section, Exhibit, or Schedule, such reference shall be to a Section, Exhibit, or Schedule, respectively, of or attached to this Agreement unless otherwise indicated. Unless the context of this Agreement otherwise requires, (a) words using the singular or plural number also include the plural or singular number, respectively, (b) the terms “hereof,” “herein,” “hereby” and derivative or similar words refer to this entire Agreement, (c) the words “include,” “includes” and “including” when used herein shall be deemed in each case to be followed by the words “without limitation,” and (d) the word “or” shall not be exclusive and shall be read to mean “and/or.” The Parties agree that they have been represented by legal counsel during the negotiation and execution of this Agreement and, therefore, waive the application of any law, regulation, holding, or rule of construction providing that ambiguities in an agreement or other document shall be construed against the party drafting such agreement or document.

23. Additional Consenting Noteholders. Any holder of a Utility Senior Note Claim or Utility Funded Debt Claim may at any time become a party to this Agreement as a Consenting Noteholder (a “**Joining Party**”) by executing a Joinder Agreement, pursuant to which such Joining Party represents and warrants to the Debtors, the Shareholder Proponents, and the other Consenting Noteholders that it agrees to be bound by the terms of this Agreement as a Consenting Noteholder hereunder.

24. Effectiveness. Except as set forth in the immediately succeeding sentence, this Agreement shall be effective and binding on all Parties on the Agreement Effective Date. Upon the Agreement Effective Date and until the earlier of entry of the RSA Approval Order and the RSA Deadline, the Debtors, the Shareholder Proponents, and the Consenting Noteholders shall proceed in good faith to seek Bankruptcy Court approval of this Agreement and the Parties shall not, directly or indirectly, propose, file, support, solicit, encourage or participate in any chapter 11 plan or settlement of Utility Senior Note Claims other than as set forth herein. This Agreement shall be null and void, and of no further force or effect, if the RSA Approval Order is not entered by the RSA Deadline.
